1.13 Cooperative Purchasing

Participating in cooperative purchasing gives vendors opportunities for additional sales without additional bidding. Municipalities use the service to expedite purchases. Stats.). Federally recognized Indian tribes and bands in this state may participate in cooperative purchasing with the state or any municipality under ss. 66.0301(1) and (2), Wis. Stats.

On the Vendor Information page, you will have the opportunity to participate in allowing other municipalities to piggyback this bid. Participation is not mandatory. A vendor’s decision on participating in this service has no effect on awarding the bid.

Dane County is not a party to these purchases or any dispute arising from these purchases and is not liable for delivery or payment of any of these purchases.

1.14 Vendor Registration Program:

20.2.4. Workers' Compensation.

Vendor agrees to maintain Workers Compensation insurance at Wisconsin statutory limits.

20.2.5. Umbrella or Excess Liability.

20.3. Upon execution of this Agreement, vendor shall furnish County with a Certificate of Insurance listing County as an additional insured and, upon request, certified copies of the required insurance policies. In case of any sublet of work under this Agreement, vendor shall furnish evidence that each and every subcontractor has in force and effect insurance policies providing coverage identical to that required of vendor. In case of any sublet of work under this Agreement, vendor shall furnish evidence that each and every subcontractor has in force and effect insurance policies providing coverage identical to that required of vendor.

20.4. The parties do hereby expressly agree that County, acting at its sole option and through its Risk Manager, may waive any and all requirements contained in this Agreement, such waiver to be in writing only. Such waiver may include or be limited to a reduction in the amount of coverage required above. The extent of waiver shall be determined solely by County's Risk Manager taking into account the nature of the work and other factors relevant to County's exposure, if any, under this Agreement.

21.0 CANCELLATION: County reserves the right to terminate any Agreement due to non-appropriation of funds or failure of performance by the vendor. Stats., County will not release such records to the public without first notifying the vendor of the request for the records and affording the vendor an opportunity to challenge in a court of competent jurisdiction the requester's right to access such records. The entire burden of maintaining and defending the trade secret designation shall be upon the vendor. The vendor acknowledges and agrees that if the vendor shall fail, in a timely manner, to initiate legal action to defend the trade secret designation or be unsuccessful in its defense of that designation, County shall be obligated to and will release the records.

22.2 Any material submitted by the vendor in response to this request that the vendor considers confidential and proprietary information and which vendor believes qualifies as a trade secret, as provided in section 19.36(5), Wis. Stats., must be identified on a designation of Confidential and Proprietary Information form. Pricing will not be held confidential after award of contract.

25.0 ANTITRUST ASSIGNMENT: The vendor and the County of Dane recognize that in actual economic practice, overcharges resulting from antitrust violation are in fact usually borne by the Purchaser. Therefore, the successful vendor hereby assigns to the County of Dane any and all claims for such overcharges as to goods, materials or services purchased in connection with this contract.

26.0 RECORDKEEPING AND RECORD RETENTION-COST REIMBURSEMENT CONTRACTS: Where payment to the vendor is based on the vendor's costs, vendor shall establish and maintain adequate records of all expenditures incurred under the contract. All records must be kept in accordance with generally accepted accounting procedures. The County contracting agency shall have the right to audit, review, examine, copy, and transcribe any pertinent records or documents relating to any contract resulting from this bid/proposal held by the vendor. The vendor will retain all documents applicable to the contract for a period of not less than three (3) years after final payment is made.

27.03 COMPLIANCE WITH FAIR LABOR STANDARDS. During the term of this Agreement, vendor shall report to the Controller, within ten (10) days, any allegations to, or findings by the National Labor Relations Board (NLRB) or Wisconsin Employment Relations commission (WERC) that vendor has violated a statute or regulation regarding labor standards or relations within the seven years prior to entering this Agreement. If an investigation by the Controller results in a final determination that the matter adversely affects vendor's responsibilities under this Agreement, and which recommends termination, suspension or cancellation of this agreement, the County may take such action.

27.04 VENDOR may appeal any adverse finding by the Controller as set forth in sec. 25.08(20)(c) through (e).

CDBG/HOME/ADDI PROGRAM POLICY AND PROCEDURES MANUAL

SUBJECT: CDBG & HOME MORTGAGE REDUCTION ASSISTANCE – DEFERRED PAYMENT LOANS PROGRAM STANDARDS

PURPOSE

The primary objective of Title I of the Housing and Community Development Act of 1974, as amended, is the development of viable urban communities. This is achieved by: providing decent housing, providing a suitable living environment, and expanding economic opportunities. This activity meets the national objective of benefiting low-and-moderate-income persons.

The HOME Program was created by the National Affordable Housing Act of 1990 (NAHA), and has been amended several times by subsequent legislation. The intent of the HOME Program is to provide decent affordable housing to lower-income households, expand the capacity of nonprofit housing providers, strengthen the ability of state and local governments to provide housing, and leverage private sector participation.

This program meets the Dane County 2010-2014 Consolidated Plan priority of promoting homeownership for low-and-moderate income households through the provision of loans for down payment and closing cost assistance.

HUD CDBG Policy:

Basic Eligible Activities – 24CFR570.201 (n):

CDBG funds may be used for the provision of direct assistance to facilitate and expand homeownership among persons of low and moderate income by using such assistance to:

- (A) subsidize interest rates and mortgage principal amounts for low- and moderate-income homebuyers;
- (B) finance the acquisition by low- and moderate-income homebuyers of housing that is occupied by the homebuyers;
- (C) acquire guarantees for mortgage financing obtained by low- and moderate-income homebuyers from private lenders (except that amounts received under this chapter may not be used under this subparagraph to directly guarantee such mortgage financing and grantees under this chapter may not directly provide such guarantees);
- (D) provide up to 50 percent of any downpayment required from low- or moderate income homebuyer; or
- (E) pay reasonable closing costs (normally associated with the purchase of a home)

Activities that support development of housing for low- and moderate income persons such as acquisition, clearance, and site improvements (when land is in public ownership) are also eligible for CDBG assistance.

HUD HOME Policy:

Eligible Activities – 24CFR92.205 (a) (1):

HOME funds may be used by a participating jurisdiction to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition (including assistance to homebuyers), new construction, reconstruction, or rehabilitation of non-luxury housing with suitable amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations; to provide tenant-based rental assistance, including security deposits; to provide payment of reasonable administrative and planning costs; and to provide for the payment of operating expenses of community housing development organizations. The housing must be permanent or transitional housing.

Eligible Activities – 24CFR92.205 (b)(1):

A participating jurisdiction may invest HOME funds as equity investments, interest-bearing loans or advances, non-interest bearing loans or advances, interest subsidies consistent with the purposes of this part, deferred payment loans, grants, or other forms of assistance that HUD determines to be consistent with the purposes of this part. Each participating jurisdiction has the right to establish the terms of assistance, subject to the requirements of this part.
