Dane County Purchasing strives to complete a summary and post online the same day as the opening. The only information provided at an opening of an RFP is the name of each vendor submitting a proposal.

1.10 Multiple Proposals

Multiple proposals from a vendor will be permissible, however each proposal must conform fully to the requirements for proposal submission. Each such proposal must be clearly labeled as Proposal #1, Proposal #2, etc.

1.11 Proposal Organization and Format

Proposals shall be organized to comply with the section numbers and names as shown in Section 4.0: Proposal Preparation Requirements.

1.12 Designation of Confidential and Proprietary Information

All restrictions on the use of data contained within a proposal and all confidential information must be clearly stated on the Vendor Information Attachment under the “Designation of Confidential and Proprietary Information” section.

Proprietary information submitted in a proposal, or in response to the RFP, will be handled in accordance with the applicable Wisconsin State Statute(s).

Submitted pricing will always become public information when proposals are opened and therefore cannot be designated as confidential.

Other information cannot be kept confidential unless it is a trade secret. Trade secret is defined in Sect. 134(80)(1)(c) Wis. State Statutes, as follows: "Trade secret" means information, including a formula, pattern, compilation, program, device, method technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use.
2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

SECTION 1 – GENERAL INFORMATION

To the extent permitted by law, it is the intention of Dane County to withhold the contents of the proposal from public view until such times as competitive or bargaining reasons no longer require non-disclosure, in the opinion of Dane County. At that time, all proposals will be available for review in accordance with the Wisconsin Open Records Law.

In the event the Designation of Confidentiality of this information is challenged, is required to provide legal counsel or other necessary assistance to defend the Designation of Confidentiality.

Failure to designate confidential and proprietary information within the Designation of Confidential and Proprietary Information section of the Vendor Information Attachment may mean that all information provided as part of the proposal response will be open to examination or copying. The County considers other markings of confidential in the proposal document to be insufficient. The undersigned agrees to hold the County harmless for any damages arising out of the release of any material unless they are specifically identified within the Designation of Confidential and Proprietary Information section of the Vendor Information Attachment.

1.13 Cooperative Purchasing

Participating in cooperative purchasing gives a vendor the opportunity for additional sales without additional bidding. Municipalities use the service to expedite purchases. A “municipality” is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having authority to award public contracts (s. 16.70(8), Wis. Stats.). Federally recognized Indian tribes and bands in this state may participate in cooperative purchasing with the state or any municipality under ss. 66.0301(1) and (20), Wis. Stats.

On the Vendor Information page, you will have the opportunity to participate in allowing other municipalities to piggyback this bid. Participation is not mandatory. A vendor’s decision on participating in this service has no effect on awarding the bid.

Dane County is not a party to these purchases or any dispute arising from these purchases and is not liable for delivery or payment of any of these purchases.

1.14 Vendor Registration Program:

All proposers are strongly encouraged to be a registered vendor with Dane County. Registering allows a vendor the opportunity to receive notifications for solicitations issued by the County and provides the County with up-to-date company contact information.

Provide your Dane County Vendor # in the Vendor Information section of the proposal submission packet.

For Non-Registered Vendors:

Complete vendor registration by visiting www.danepurchasing.com. On the top menu bar, click Vendor Registration and then click Create Vendor Account. You will receive an email confirmation once your account is created and again when your vendor registration is complete. Retain your user name/email address and password for ease of

re-registration in future years. Within 2-4 days of completing the registration, a vendor number will be assigned and emailed to you.

For Registered Vendors:

1.16 Dane County Sustainability Principles

On October 18, 2012, the Dane County Board of Supervisors adopted Resolution 103, 2012-2013 establishing the following sustainability principles for the county:

- Reduce and eventually eliminate Dane County government’s contribution to fossil fuel dependence and to wasteful use of scarce metals and minerals;
- Reduce and eventually eliminate Dane County government’s contribution to dependence upon persistent chemicals and wasteful use of synthetic substances;
- Reduce and eventually eliminate Dane County government’s contribution to encroachment upon nature and harm to life-sustaining ecosystems (e.g., land, water, wildlife, forest, soil, ecosystems);
- Reduce and eventually eliminate Dane County government’s contribution to conditions that undermine people’s ability to meet their basic human needs.

1.17 Fair Labor Practice Certification

Dane County Ord. 25.09 (1) is as follows:

(28) BIDDER RESPONSIBILITY. (a) Any bid, application or proposal for any contract with the county, including public works contracts regulated under chapter 40, shall include a certification indicating whether the bidder has been found by the National Labor Relations Board (NLRB) or the Wisconsin Employment Relations Committee (WERC) to have violated any statute or regulation regarding labor standards or relations within the last seven years. The purchasing manager shall investigate any such finding and make a recommendation to the committee, which shall determine whether the conduct resulting in the finding affects the bidder’s responsibility to perform the contract.

If you indicated that you have been found by the NLRB or WERC to have such a violation, you must include a copy of any relevant information regarding such violation with your proposal, bid or application.

Additional information can be found using the following links: www.nlrb.gov and <http://werc.wi.gov>.

SECTION 2 – PROPOSAL SELECTION AND AWARD PROCESS

2.0 PROPOSAL SELECTION AND AWARD PROCESS

2.1 Preliminary Evaluation

The proposals will first be reviewed to determine if requirements in Section 1 and Section 4 are met. Failure to meet mandatory requirements will result in the proposal being rejected. In the event that all vendors do not meet one or more of the mandatory requirements, the County reserves the right to continue the evaluation of the proposals and to select the proposal which most closely meets the requirements specified in this RFP.

2.2 Proposal Scoring

Accepted proposals will be reviewed by an evaluation team and scored against the stated criteria in Section 2.4. This scoring will determine the ranking of vendors based upon their written proposals. If the team determines that it is in the best interest of the County to require oral presentations, the highest-ranking vendors will be invited to make such presentations. Those vendors that participate in the interview process will then be scored, and the final ranking will be made based upon those scores.

2.3 Oral Presentations/Interview

Top ranked selected proposers may be required to make oral interview presentations and/or site visits to supplement their proposals, if requested by the County. The County will make every reasonable attempt to schedule each presentation at a time and location that is agreeable to the proposer. Failure of a proposer to conduct a presentation to the County on the date scheduled may result in rejection of the vendor's proposal.

The proposals will be scored using the following criteria:

2.5 **Right to Reject Proposals and Negotiate Contract Terms**

The County reserves the right to reject any and all proposals and to negotiate the terms of the contract, including the award amount, with the selected proposer prior to entering into a contract. If contract negotiations cannot be concluded successfully with the highest scoring proposer, the County may negotiate a contract with the next highest scoring proposer.

2.6 **Award and Final Offers**

The award will be granted in one of two ways. The award may be granted to the highest scoring responsive and responsible proposer. 3.2 **Scope of Services/Specification Overview**

3.2.1 **Project Description**

Dane County is soliciting project proposals for a wide range of economic development activities eligible for funding under the Community Development Block Grant (CDBG) program. It is expected that funds in 2021 will be made available for economic development projects that create permanent jobs for low-and-moderate income residents of the participating communities of the Dane County Urban County Consortium listed in Appendix A.

Eligible Applicants

Public or private non-profit agencies or organizations including faith-based organizations, units of local government, and Community-Based Development Organizations.

National Objective

In order to be eligible for funding, every CDBG-funded activity must meet one of the three national objectives of the program:

- Benefiting low-and-moderate-income persons (LMI)
Preventing or eliminating slums or blight, or
- Meeting other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs. Note: This typically applies to natural disasters, such as floods or tornadoes.
Under this RFP, the CDBG Commission is interested in activities that benefit low-and-moderate income persons through the creation or retention of permanent jobs (LMJ), 51% of which will be held by persons with family incomes at or below 80% of the County median income at the time of hire.

Jobs are computed on a full-time equivalent (FTE) basis. A full time equivalent (FTE) is a 40 hour per week or 2,080 hour per year job. If two persons are hired for 20 hours per week for 52 weeks per year, that is 1 full-time equivalent job.

The following requirements must be met for jobs to be considered created or retained.

- a. For projects that **create** jobs, at least 51% of the jobs must be held by or made available to low-and-moderate income persons.

SECTION 3 – PROJECT OVERVIEW AND SCOPE OF SERVICES

b. For projects that **retain** jobs, there must be sufficient documentation that the jobs would be lost without this loan and that one or both of the following apply to at least 51% of the jobs:

- The job is currently held by a lower-and-moderate income person; or
- The job can reasonably be expected to turn over within the following two years and steps will be taken to ensure that the job will be filled by, or made available to, a low-and-moderate income person.

Created or retained jobs are only considered to be made available to low-and-moderate income persons when:

- Special skills that can only be acquired with substantial training or work experience or education beyond high school are not a prerequisite to fill such jobs, or the business agrees to hire unqualified persons and provide training; and
- The business takes actions to ensure that low-and-moderate income persons receive first consideration for filling such jobs, such as:
 - Advertising the jobs to be filled with the Dane County Housing Authority, Centro Hispano of Dane County, Madison Apprenticeship Program, Madison Urban Ministry, Porchlight, and other non-profits serving low-and-moderate income populations;
 - Conducting a job fair in a low-and-moderate income neighborhood;
 - Listing the jobs to be filled with Job Service;
 - Providing a listing of the jobs to be filled to the Associate Division Manager of Economic Assistance and Work Services Division (EAWS) of the Dane County Department of Human Services who will work to refer eligible applicants
- The business must track the persons interviewed for each position and maintain income self-certification forms from each applicant for review by the County, HUD, and the Office of Inspector General.

For developments in which units or space will be leased or purchased by other tenants, such as a retail mall, the borrower/owner must ensure that the job creation and reporting requirements are incorporated into the lease or purchase agreements for each tenant.

Microenterprise activities may also be considered to meet the LMI national objective under a category known as limited clientele if the owner of the business is low-and-moderate income at the time of assistance. The income of the owner must be documented.

Eligible Activities

Business Incubators

Incubators are multi-tenant buildings that provide affordable, flexible space along with a variety of office and professional services typically to small and/or new businesses.

SECTION 3 – PROJECT OVERVIEW AND SCOPE OF SERVICES

Incubators are different from other types of commercial and industrial facilities in that their purpose is to create an atmosphere conducive to the creation and growth of fledgling businesses. Incubators can be either for-profit or non-profit and their developers typically focus on either generating a financial profit or new jobs.

CDBG funds can be provided either to the developer or operator of an incubator, or to one or more of the businesses located within the incubator, as long as the activity is eligible and meets one of the program's national objectives.

A wide range of activities that pertain to the development and operation of an incubator or to a business within an incubator are eligible for CDBG funding. Examples of these types of activities are listed below with citations to the CDBG regulations at 24 CFR Part 570, Subpart C:

- Acquisition of land and buildings for an incubator (570.201(a); 570.203(a,b)),
- Architectural, engineering and design costs for construction or rehabilitation of an incubator (570.201(c); 570.202; 570.203(a,b)),
- Construction of a new incubator (570.201(c); 570.203(a,b))
- Demolition of existing buildings to clear land for an incubator (570.201(b); 570.203(a,b)),
- Rehabilitation, preservation, or renovation of existing buildings for use as incubators (570.201(c); 570.202(b,d,e); 570.203(a,b)),
- Public improvements integral to an incubator including curbs, gutters, water/sewer improvements, street improvements, and lighting (570.201(c)),
- Development of feasibility studies, business assistance strategies, market assessments, and tenant selection plans either for a specific business (570.203(b), or as part of the grantee's incubator project plans (570.205(a)(4)(iii)),
- Operational costs, such as utilities and maintenance, and equipment for an incubator or a business within the incubator (570.203(b)),
- Technical assistance (570.203(b)).

Commercial Rehabilitation

These are activities that are designed to bring commercial structures up to code or improve their facades.

If the commercial structure is owned by a private, for-profit entity, the rehabilitation is limited to the exterior of the building and the correction of code violations.

SECTION 3 – PROJECT OVERVIEW AND SCOPE OF SERVICES

Microenterprise Development

A microenterprise is defined as a commercial enterprise that has five or fewer employees, one or more of whom owns the enterprise.

Persons developing microenterprises means, “such persons who have expressed interest and who are, or after an initial screening process are expected to be, actively working toward developing businesses, each of which is expected to be a microenterprise at the time it is formed” (24 CFR Part 570.201(o) (3).

Eligible microenterprise activities include the provision of:

- Grants, loans, loan guarantees and other forms of financial support, for the establishment, stabilization, and expansion of microenterprises;
- Technical assistance, advice, and business services to owners of microenterprises and persons developing microenterprises;
- General support to owners of microenterprises and persons developing microenterprises including child care, transportation, counseling, and peer support groups.

Public Facilities – New Construction and Rehabilitation

Public facilities in the CDBG program are broadly interpreted to include all facilities that are either publicly owned or that are traditionally provided by the government, or owned by a nonprofit and operated so that as to be open to the general public. Public facilities include neighborhood facilities such as parks, playgrounds and recreational facilities, youth centers, public schools, firehouses, and libraries. Facilities designed for use in providing shelter for persons having special needs are also considered public facilities. Such facilities include: shelters for the homeless; convalescent homes; hospitals, nursing homes; battered spouse shelters; halfway houses for run-away children, drug offenders or parolees; group homes mentally retarded persons and temporary housing for disaster victims. Transitional housing facilities where residents generally reside in the units for up to two years are also considered public facilities.

Eligible activities include:

- Acquisition, construction, reconstruction, rehabilitation, or installation of public facilities and improvements carried out by public or private nonprofit organizations.
- CDBG funds may be used to renovate closed buildings, such as closed school buildings, for use as an eligible public facility or to rehabilitate such buildings for housing.
- CDBG funds may be used for the rehabilitation, preservation, or restoration of historic properties, whether publicly or privately owned. Historic properties are those sites or structures that are listed in or eligible to be listed in the National Register of Historic Places, listed in a State or local inventory of historic places, or designated as a State or local landmark or historic district by appropriate law or ordinance. Historic preservation, however, is not authorized for buildings for the general conduct of government.
- CDBG funds may be used for the construction of tornado safe shelters.

SECTION 3 – PROJECT OVERVIEW AND SCOPE OF SERVICES

- While buildings used for the general conduct of government are generally ineligible, activities may be directed to the removal of material and architectural barriers that restrict the mobility and accessibility of elderly and severely disabled persons to public facilities and improvements.

Buildings or portions thereof, used for the general conduct of government cannot be assisted with CDBG funds except when activities are directed to removing material and architectural barriers as stated above. However, a public facility otherwise eligible for assistance under the CDBG program may be provided with CDBG funds even if it is part of a multiple use building containing ineligible uses, if:

- The facility which is otherwise eligible and proposed for assistance will occupy a designated and discrete area within the larger facility; and
- It is possible to determine the costs attributable to the facility proposed for assistance as separate and distinct from the overall costs of the multiple-use building and/or facility.

Allowable costs are then limited to those attributable to the eligible portion of the building or facility.

Public Infrastructure (such as for business parks, etc.)

These are public works infrastructure projects that support economic development endeavors. These typically include transportation facilities (street rehabilitation, sidewalk improvements, parking facilities, street lights) water, sewer, solid waste, and drainage improvements. Work may be undertaken on the approach to a specific site being developed by a private business or in a developing area, such as a commercial or industrial park.

The maintenance and repair of public facilities and improvements is generally ineligible (e.g., filling potholes, repairing cracks in sidewalks, replacing street lights).

Operating costs associated with public facilities or improvements are generally ineligible.

For public infrastructure projects that qualify under the national objective of creating or retaining jobs, of which 51% will be held by persons who are low-and-moderate income (LMI), and serving more than one business, the 51% LMI job requirement may be met by aggregating the jobs created or retained by the affected businesses under the following criteria:

- If the cost per job created or retained is less than \$10,000 per FTE, 51% of the jobs created or retained by the businesses, for which the facility/improvement is principally undertaken, must be held by LMI persons.
- If the cost per job created or retained is \$10,000 or more per FTE, 51% of the jobs created or retained by all businesses in the service area of the public facility/improvement must be held by LMI persons. This includes all businesses, which as a result of the public facility/improvements, locate or expand in the service area between the date the activity is identified in the County's Annual Action Plan (November 2015) and one year after completion of the public

SECTION 3 – PROJECT OVERVIEW AND SCOPE OF SERVICES

facility/improvement. In addition, the assisted activity must comply with the public benefit standards found at 24 CFR 570.209(b).

Ineligible Activities

- Buildings for the general conduct of government are ineligible. However, the removal of architectural barriers from government buildings is eligible under the category of public facilities and improvements.
- General government expenses are ineligible.
- Financing for political activities or to engage in other partisan political activities are ineligible. However, a facility assisted with CDBG funds may be used on an incidental basis to hold political meetings, candidate forums, or voter registration campaigns, if the building is available to all community organizations on an equal basis.
- Purchase of equipment is generally ineligible; however:
- Compensation for the use of construction equipment through leasing, depreciation, or use allowances is eligible.
- Fire protection that is considered an integral part of public facilities is eligible. This includes fire engines and specialized tools such as “jaws of life” and life-saving equipment as well as protective clothing worn by fire fighters.
- Purchase of personal property, including equipment, fixtures, motor vehicles, furnishings, or other personal property is generally ineligible.
- Operating and maintenance expenses (of public facilities, improvements, and services) are ineligible.

Eligible Expense Categories

The following categories of expense are generally considered eligible for funding under the program.

- Hard costs including land acquisition and existing structures; site preparations or improvement, including demolition; securing of buildings; construction materials and labor;
- Relocation costs including: payment for replacement housing, moving costs, and out-of-pocket expenses; advisory services; and staff and overhead costs related to relocation assistance and services;
- Architectural, engineering or related professional services including preparing plans, drawings, specifications, work write-ups, and job progress inspections;
- Legal and accounting fees, including cost certification;
- Environmental reviews;
- Builders’ or developers’ fees;
- Costs of impact fees that are charged to all projects in a jurisdiction;
- Affirmative marketing, initial leasing, and marketing costs;
- Other soft costs for processing and settling the financing for a project, such as credit reports, title binders and insurances, fees for recordation and filing of legal documents, building permits, and private appraisal fees.
- Staff and overhead costs DIRECTLY related to carrying out the activity specified in 24 CFR 570.201-204, such as providing direct services to consumers, work specifications preparation, loan processing inspections, and other services related to assisting potential clients, owners, tenants, and homebuyers. This may include staff time spent supervising staff who are

SECTION 3 – PROJECT OVERVIEW AND SCOPE OF SERVICES

carrying out the activities specified in 24 CFR 570.201-204 when that time is spent addressing a direct consumer, service, or property issue. It does not include supervisory time spent on such functions as employee evaluations.

Type of Assistance

Loans or grants depending on the nature of the project.

3.2.2 **Objectives**

To promote a range of economic development projects that create permanent jobs for low-and-moderate income residents of the participating communities of the Dane County Urban County Consortium.

3.2.3 **Needs**

1. Projects must assist low-and-moderate-income persons in the participating municipalities of the Dane County Urban County Consortium.
2. It is expected that projects will meet documented community needs. This includes needs documented through “hard” data sources.
3. Any additional funding needed to make the project viable must be secured in order for a contract to be executed.

4.1 Attachment A – Vendor Information

4.2 Need and Justification

The project need and justification adequately describes the problem that is being addressed by the proposed project. Statements are substantiated with “hard” data sources. Provides a description of how funds may be targeted to areas of greatest need.

4.3 Beneficiaries

The application describes the population to be served. Additional points will be given to projects located in census tracts where 47.8% of the population is considered low-and-moderate income.

4.4 Project Approach

The application provides:

- A detailed description of the scope of work that will be undertaken and a description of how the work will address the identified problems.
- A description of any partnerships that have been or will be formed to ensure the success of the project.
- Plans for notice and the relocation process for tenants, if needed.
- A work plan for how the project/program will be organized, implemented, operated, and administered, and the timeline and milestones from initiation to completion. Work on the project – meaning funds will be spent – will begin in 2021.

4.5 Experience and Qualifications

The application provides documentation to justify the organization’s capacity to conduct this project. The project is consistent with the mission of the organization. The organization has undertaken projects of similar complexity to the one for which funds are being requested. There are staff resources with the skills and experience to administer and conduct an accountable and responsible project. There appears to be adequate board and management oversight.

4.6 Financial Information

The application clearly explains and justifies each proposed budget line item and why CDBG funding is required to make the project viable. An explanation of the bases of the cost estimates for the project is included. The budget is realistic. The organization is financially stable. Efforts have been made to secure and to leverage other funding for the project.

SECTION 4 – PROPOSAL PREPARATION REQUIREMENTS

4.7 **Mandatory Requirements**

The following general requirements are mandatory and must be complied with. NOTE: Programs not meeting the mandatory requirements will not be evaluated.

4.7.1 Be an eligible activity.

5.0 SPECIAL CONTRACT TERMS AND CONDITIONS

5.1 Procurement

 - g. Contractors must have protest procedures in place to handle and resolve disputes relating to their procurement and in all instances report such disputes to the County.
 - h. There must be a documented system of contract administration for determining the consistency of contractor performance.

5.2 Excluded Parties List System (EPLS)

SECTION 5 – SPECIAL CONTRACT TERMS AND CONDITIONS

5.3 **Federal Labor Standards**

These HUD requirements apply to CDBG-funded construction projects in excess of \$2,000 or more and apply to the entire project, not just the portion funded by CDBG. If a grant contract is awarded and Davis-Bacon will be triggered, labor standards requirements will be described in detail in the contract with the County. Additional information also can be obtained in the HUD *Contractor's Guide to Prevailing Wage Requirements for Federally-Assisted Construction Projects* at <http://portal.hud.gov/hudportal/documents/huddoc?id=4812-LRguide.pdf>

5.4 **Lobbying Certification**

Prior to entering into an agreement to provide services, the contractor will be required to sign a certification attesting to the following:

- No federally appropriated funds have been paid, or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal contract, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The contractor shall require that the language of this CERTIFICATION be included in the award documents for all sub-awards at all tiers (including subcontractors, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

5.5 **Equal Opportunity Clause**

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in

SECTION 5 – SPECIAL CONTRACT TERMS AND CONDITIONS

conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order 11246 of Sept. 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended by Executive Order 11375 of October 13, 1967 and with the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965 as amended, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the contracting agency, County of Dane, HUD, and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, the contract may be cancelled, terminated, or suspended in whole or in part and the contract may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965 as amended, and such other sanctions may be imposed or remedies invoked as provided in Executive Order No. 11246 of September 24, 1965 as amended, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The contractor will include the provisions of paragraphs 1 through 7 in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965 as amended, so that such provisions will be binding upon each subcontract or vendor. The contractor will take such action with respect to any subcontract or purchase order as the contracting agency and/or County of Dane may direct as a means of enforcing such provisions, including sanctions for noncompliance.

5.6 Affirmative Action to Ensure Equal Employment Opportunity (EO 11246)

This section is applicable to construction contracts/subcontracts exceeding \$10,000.

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.
2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for Women = **6.9 percent** (this goal applies nationwide)

Goals for minority participation = **2.2 percent** (this goal applies county-wide)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area. If the contractor performs construction work in a geographic area located outside of the covered area, it shall apply the goals established for such geographic area where the work is actually performed. The contractor is also subject to the goals for both its federal and nonfederal construction.

3. The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3 (a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.
4. The contractor shall provide written notification to the awarding agency and the County of Dane within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

SECTION 5 – SPECIAL CONTRACT TERMS AND CONDITIONS

5.7 **Section 3**

New construction of rental housing is considered a covered project for the purposes of Section 3. As such, a Section 3 Project Implementation Plan will be required by the Subrecipient and Statements of Commitment will be required by each Prime Contractor and any subcontractors.

Section 3 is triggered when the normal completion of construction and rehabilitation projects creates the need for new employment, contracting, or training opportunities.

HUD considers recipients of covered funding to be in compliance with Section 3 if they meet the numerical goals set forth at 24 CFR Part 135.30. Specifically:

- a. 30 percent of the aggregate number of new hires shall be Section 3 residents;
- b. 10 percent of the total dollar amount of all covered construction contracts shall be awarded to Section 3 business concerns; and
- c. 3 percent of the total dollar amount of all covered non-construction contracts shall be awarded to Section 3 business concerns.

All Section 3 covered contracts (contracts to direct recipients in excess of \$200,000, for Section 3 covered projects, and subcontracts excess of \$100,000) shall include the following clause (referred to as the Section 3 clause) in all bid documents, contracts, and subcontracts:

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

SECTION 5 – SPECIAL CONTRACT TERMS AND CONDITIONS

- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

5.8 **JOB PIRATING**

Job pirating is prohibited under Section 588 of the Quality Housing and Work Responsibility Act of 1998. The County is prohibited from providing assistance that will result in the relocation of a plant, facility, or operation from one Labor Market Area to another, within three years of the date of assistance, if such relocation will result in a significant loss of jobs in the labor market area from which the relocation occurs. A significant loss is defined as the loss of 500 or more jobs or equal to or greater than one-tenth of one percent of the total number of persons in the labor force of that Labor Market Area.

5.9 **Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)**

The Uniform Act is a federal law that establishes minimum standards for federally funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The Uniform Act's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects.

Generally a displaced person under the URA is an individual, family, partnership, association, corporation, or organization which moves from their home, business, farm, or moves their

SECTION 5 – SPECIAL CONTRACT TERMS AND CONDITIONS

personal property as a direct result of acquisition, demolition, or rehabilitation for a federally funded project. Displaced persons are eligible for relocation assistance under the URA.

Agencies conducting a program or project under URA must carry out their legal responsibilities to affected property owners and displaced persons. Agencies should plan accordingly to ensure that adequate **time, funding, and staffing** are available to carry out their responsibilities.

Some of those responsibilities include:

For Real Property Acquisition

- Appraise property before negotiations
- Invite the property owner to accompany the appraiser during the property inspection
- Provide the owner with a written offer of just compensation and a summary of what is being acquired
- Pay for property before possession
- Reimburse expenses resulting from the transfer of title such as recording fees, prepaid real estate taxes, or other expenses.

Please note that agency responsibilities for voluntary acquisitions differ.

For Residential Displacements

- Provide relocation advisory services to displaced tenants and owner occupants
- Provide a minimum 90 days written notice to vacate prior to requiring possession
- Reimburse for moving expenses
- Provide payments for the added cost of renting or purchasing comparable replacement housing

For Nonresidential Displacements (businesses, farms, and nonprofit organizations)

- Provide relocation advisory services
- Provide a minimum 90 days written notice to vacate prior to requiring possession
- Reimburse for moving and reestablishment expenses

The Federal Funding Accountability and Transparency Act of 2006 (FFATA) and associated amendments requires that information on subawards related to Federal contracts, sub-contracts, grants, and sub-grants be made publicly available. Specifically, the Transparency Act's section 2(b)(1) requires the Office of Management and Budget to establish a publicly available website that contains the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type, funding agency, the Catalog of Federal Domestic Assistance number, program source, descriptive award title;
- Location of the entity receiving the award and primary location of performance under the award including City, State, congressional district, and country;

SECTION 5 – SPECIAL CONTRACT TERMS AND CONDITIONS

- Unique identifier (Dun & Bradstreet DUNS Number) of the entity receiving the award and the parent recipient of the recipient, should the entity be owned by another entity; and
- Names and total compensation of the five most highly compensated officers of the entity, if the entity in the preceding fiscal year received 80% or more of its annual gross revenues in Federal awards; and \$25 million or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986.

Vendors awarded funds will be required to provide this information prior to the issuance of a contract.

1.1 **ENTIRE AGREEMENT:** These Standard Terms and Conditions shall apply to any contract, including any purchase order, awarded as a result of this request. Special requirements of a resulting contract may also apply. Said written contract with referenced parts and attachments shall constitute the entire agreement, and no other terms and conditions in any document, acceptance, or acknowledgment shall be effective or binding unless expressly agreed to in writing by the County. Unless otherwise stated in the agreement, these standard terms conditions supersede any other terms and/or conditions applicable to this agreement.

1.2 **DEFINITIONS:** As used herein, “vendor” includes a provider of goods or services, or both, who is responding to an RFP or a bid, and “bid” includes a response to either an RFP or a bid.

2.0 **SPECIFICATIONS:** The specifications herein are the minimum acceptable. When specific manufacturer and model numbers are used, they are to establish a design, type of construction, quality, functional capability or performance level, or any combination thereof, desired. When alternates are proposed, they must be identified by manufacturer, stock number, and such other information necessary to establish equivalency. Dane County shall be the sole judge of equivalency. Vendors are cautioned to avoid proposing alternates to the specifications that may result in rejection of their bid.

3.0 **DEVIATIONS AND EXCEPTIONS:** Deviations and exceptions from terms, conditions, or specifications shall be described fully in writing, signed, and attached to the bid. In the absence of such statement, the bid shall be accepted as in strict compliance with all terms, conditions, and specifications and vendor shall be held liable for injury resulting from any deviation.

4.0 **QUALITY:** Unless otherwise indicated in the request, all material shall be first quality. No pre-owned, obsolete, discontinued or defective materials may be used.

5.0 **QUANTITIES:** The quantities shown herein are based on estimated needs. The County reserves the right to increase or decrease quantities to meet actual needs.

6.0 **DELIVERY:** Deliveries shall be FOB destination freight prepaid and included unless otherwise specified. County will reject shipments sent C.O.D. or freight collect.

7.0 **PRICING:** Unit prices shown on the bid shall be the price per unit of sale as stated on the request or contract. For any given item, the quantity multiplied by the unit price shall

establish the extended price, the unit price shall govern in the bid evaluation and contract administration.

7.1 Prices established in continuing agreements and term contracts may be lowered due to market conditions, but prices shall not be subject to increase for the term specified in the award. Vendor shall submit proposed increases to the Purchasing Division thirty (30) calendar days before the proposed effective date of the price increase. Proposed increases shall be limited to fully documented cost increases to the vendor that are demonstrated to be industry wide. Price increases may not be granted unless they are expressed in bid documents and contracts or agreements.

7.2 Submission of a bid constitutes bidder’s certification that no financial or personal relationship exists between the bidder and any county official or employee except as specially set forth in writing attached to and made a part of the bid. The successful bidder shall disclose any such relationship which develops during the term of the contract.

8.0 **ACCEPTANCE-REJECTION:** Dane County reserves the right to accept or reject any or all bids, to waive any technicality in any bid submitted and to accept any part of a bid as deemed to be in the best interests of the County. Submission of a proposal or a bid constitutes the making of an offer to contract and gives the County an option valid for 60 days after the date of submission to the County.

8.1 Bids **MUST** be received in the electronic mailbox of the Dane County Purchasing Division on or before the date and time that the bid is specified as being due.

9.0 **METHOD OF AWARD:** Award shall be made to the lowest responsible responsive bidder conforming to specifications, terms, and conditions, or to the most advantageous bid submitted to the County on a quality versus price basis.

10.0 **ORDERING/ACCEPTANCE:** Written notice of award to a vendor in the form of a purchase order or other document, mailed or delivered to the address shown on the bid will be considered sufficient notice of acceptance of bid. A formal contract containing all provisions of the contract signed by both parties shall be used when required by the Dane County Purchasing Division.

11.0 **PAYMENT TERMS AND INVOICING:** Unless otherwise agreed, Dane County will pay properly submitted vendor invoices within thirty (30) days of receipt of goods and services. Payment will not be made until goods or services are delivered, installed (if required), and accepted as specified. Invoices presented for payment must be submitted in accordance with instructions contained on the purchase order.

11.1 **NO WAIVER OF DEFAULT:** In no event shall the making of any payment or acceptance of any service or product required by this Agreement constitute or be construed as a

SECTION 7 – STANDARD TERMS AND CONDITIONS

waiver by County of any breach of the covenants of the Agreement or a waiver of any default of the successful vendor, and the making of any such payment or acceptance of any such service or product by County while any such default or breach shall exist shall in no way impair or prejudice the right of County with respect to recovery of damages or other remedy as a result of such breach or default.

16.1 Vendors who have twenty (20) or more employees and a contract of twenty thousand dollars (\$20,000) or more must submit a written affirmative action plan to the County's Contract Compliance Officer within fifteen (15) working days of the effective date of the contract. The County may elect to accept a

copy of the current affirmative action plan filed with and approved by a federal, state or local government unit.

16.2 The vendor agrees to post in conspicuous places, available for employees and applicants for employment, notices setting forth the provisions of this Agreement as they relate to affirmative action and nondiscrimination.

16.3 Failure to comply with these Terms and Conditions may result in the vendor being debarred, termination of the contract and/or withholding of payment.

16.4 The vendor agrees to furnish all information and reports required by Dane County's Contract Compliance Officer as the same relate to affirmative action and nondiscrimination, which may include any books, records, or accounts deemed appropriate to determine compliance with Chapter 19, D.C. 20.2.4. Workers' Compensation.

20.2.5. Umbrella or Excess Liability.

be less than the highest "Each Occurrence" limit for the Commercial General Liability and Business Auto Liability. Vendor agrees to list DANE COUNTY as an "Additional Insured" on its Umbrella or Excess Liability policy.

20.3. Upon execution of this Agreement, vendor shall furnish County with a Certificate of Insurance listing County as an additional insured and, upon request, certified copies of the required insurance policies. 20.4. The parties do hereby expressly agree that County, acting at its sole option and through its Risk Manager, may waive any and all requirements contained in this Agreement, such waiver to be in writing only. Such waiver may include or be limited to a reduction in the amount of coverage required above. The extent of waiver shall be determined solely by County's Risk Manager taking into account the nature of the work and other factors relevant to County's exposure, if any, under this Agreement.

21.0 CANCELLATION: County reserves the right to terminate any Agreement due to non-appropriation of funds or failure of performance by the vendor. SECTION 7 – STANDARD TERMS AND CONDITIONS

matters collectively constitute a trade secret as that term is defined in s. 134.90(1)(c), Wis. Stats., County will not release such records to the public without first notifying the vendor of the request for the records and affording the vendor an opportunity to challenge in a court of competent jurisdiction the requester's right to access such records. The entire burden of maintaining and defending the trade secret designation shall be upon the vendor. The vendor acknowledges and agrees that if the vendor shall fail, in a timely manner, to initiate legal action to defend the trade secret designation or be unsuccessful in its defense of that designation, County shall be obligated to and will release the records.

22.2 Any material submitted by the vendor in response to this request that the vendor considers confidential and proprietary information and which vendor believes qualifies as a trade secret, as provided in section 19.36(5), Wis. Stats., must be identified on a designation of Confidential and Proprietary Information form. Pricing will not be held confidential after award of contract.

25.0 ANTITRUST ASSIGNMENT: The vendor and the County of Dane recognize that in actual economic practice, overcharges resulting from antitrust violation are in fact usually

borne by the Purchaser. Therefore, the successful vendor hereby assigns to the County of Dane any and all claims for such overcharges as to goods, materials or services purchased in connection with this contract.

26.0 RECORDKEEPING AND RECORD RETENTION-COST REIMBURSEMENT CONTRACTS: Where payment to the vendor is based on the vendor's costs, vendor shall establish and maintain adequate records of all expenditures incurred under the contract. All records must be kept in accordance with generally accepted accounting procedures. The County contracting agency shall have the right to audit, review, examine, copy, and transcribe any pertinent records or documents relating to any contract resulting from this bid/proposal held by the vendor. The vendor will retain all documents applicable to the contract for a period of not less than three (3) years after final payment is made.

27.03 COMPLIANCE WITH FAIR LABOR STANDARDS. During the term of this Agreement, vendor shall report to the Controller, within ten (10) days, any allegations to, or findings by the National Labor Relations Board (NLRB) or Wisconsin Employment Relations Commission (WERC) that vendor has violated a statute or regulation regarding labor standards or relations within the seven years prior to entering this Agreement. If an investigation by the Controller results in a final determination that the matter adversely affects vendor's responsibilities under this Agreement, and which recommends termination, suspension or cancellation of this agreement, the County may take such action.

27.04 VENDOR may appeal any adverse finding by the Controller as set forth in sec. 25.08(20)(c) through (e).
