9.0 STANDARD TERMS & CONDITIONS

1.0 GENERAL INFORMATION

1.1 Introduction

The purpose of this document is to provide interested parties with information to enable them to prepare and submit a proposal for jail to community re-entry case management.

The County intends to use the results of this process to award a contract(s) or issuance of purchase order for the product(s) and or services(s) stated above.

The contract resulting from this RFP will be administered by Dane County, Department of Human Services.

The contract administrator will be Todd Campbell, Division Administrator, Adult Community Services Division.

This Request for Proposal (RFP) is issued on behalf of Dane County by the Purchasing Division, which is the sole point of contact for the County during the procurement process.

1.2 Scope of the Project

1.2.1 Project Description

This program will work with inmates who are transitioning into the community from the Dane County Jail by providing case management and peer support.

1.2.2 Objectives

The objective of this program is to eliminate the intrapersonal and environmental factors that contribute to individuals engaging in repeated criminal activity resulting in repeated periods of incarceration. Those individuals who are at highest risk to return to incarceration shall be prioritized.

1.2.3 Needs

The provider will begin working with Dane County Jail inmates prior to their release. Sentenced inmates who have indications of a mental illness or substance use disorder shall be prioritized for intervention, unless that individual already has support from a case manager in the community. The provider will gather critical information and develop a re-entry plan for each individual prior to their release to the community. The provider will be expected to collaborate with other professionals and entities focused on community re-entry from the jail. The re-entry plan shall address the most critical needs of the individual that are most likely to place the individual at risk of a

subsequent period of incarceration.

The provider will be responsible for assuring a smooth transition to the community from the Dane County Jail. This is intended to be a short-term (less than six months) service that emphasizes engaging inmates and former inmates with services in the community that are critical to preventing an individual's re-incarceration. This includes, but is not limited to services that assist individuals to obtain housing, employment, counseling or medication for a mental illness or a substance use disorder, health coverage, and need-based benefits.

1.2.4 Current Operations

There is no provider currently performing this service. There are professionals and entities that are working to help Dane County Jail inmates successfully re-enter the community including, the Dane County Sheriff's Department, the Wisconsin Department of Corrections, and agencies that provide services for particular populations, including those with mental illnesses or substance use disorders.

1.3 Definitions

The following definitions are used throughout the RFP.

Case Management means assuming responsibility for locating, managing, coordinating, and monitoring all services and informal community supports needed by clients and their families. Services may include, but are not limited to: assessment; case planning, monitoring and review; advocacy; and referral.

Contractor means proposer awarded the contract.

County means Dane County

County Agency means Department /Division utilizing the service or product

Peer Support means services that can be provided by Certified Peer Specialists, peer recovery coaches or similar positions who not only have lived the experience of incarceration, mental illness and/or substance addiction but also have had peer counseling training and supervision. Peer support workers actively incorporate 'peer support' into their work with individuals, are supervised and participate as a member of the agency's recovery team. Services such as establishing a supportive relationship for recovery; outreach; providing information about recovery and community resources; connecting persons with services or resources; crisis support; recovery support; facilitating self-directed recovery; communication with providers and community resources; active listening; assistance with making new friends and finding housing and new uses of spare time; improving employability; accessing health insurance, financial assistance or treatment; assisting persons in feeling connected to a community of recovery through social, recreational and cultural activities in a drug-free environment; transportation; facilitating recovery support groups; and peer support record keeping are included.

3.0 PROPOSAL SELECTION AND AWARD PROCESS

3.1 Preliminary Evaluation

The proposals will first be reviewed to determine if requirements in Section 2.0 are met, and if additional mandatory requirements are met. (see Section 4.0). 3.2 Proposal Scoring

Accepted proposals will be reviewed by an evaluation team and scored against the stated criteria. This scoring will determine the ranking of vendors based upon their written proposals. Special requirements of a resulting contract may also apply. Said written contract with referenced parts and attachments shall constitute the entire agreement, and no other terms and conditions in any document, acceptance, or acknowledgment shall be effective or binding unless expressly agreed to in writing by the County. Unless otherwise stated in the agreement, these standard terms conditions supersede any other terms and/or conditions applicable to this agreement.

1.2 **DEFINITIONS:** As used herein, "vendor" includes a provider of goods or services, or both, who is responding to an RFP or a bid, and "bid" includes a response to either an RFP or a bid.

When specific manufacturer and model numbers are used, they are to establish a design, type of construction, quality, functional capability or performance level, or any combination thereof, desired. When alternates are proposed, they must be identified by manufacturer, stock number, and such other information necessary to establish equivalency. Dane County shall be the sole judge of equivalency. Vendors are cautioned to avoid proposing alternates to the specifications that may result in rejection of their bid.

3.0 **DEVIATIONS AND EXCEPTIONS:** Deviations and exceptions from terms, conditions, or specifications shall be described fully in writing, signed, and attached to the bid. In the absence of such statement, the bid shall be accepted as in strict compliance with all terms, conditions, and specifications and vendor shall be held liable for injury resulting from any deviation.

4.0 **QUALITY:** Unless otherwise indicated in the request, all material shall be first quality. No pre-owned, obsolete, discontinued or defective materials may be used.

5.0 **QUANTITIES:** The quantities shown herein are based on estimated needs. The County reserves the right to increase or decrease quantities to meet actual needs.

6.0 **DELIVERY:** Deliveries shall be FOB destination freight prepaid and included unless otherwise specified. County will reject shipments sent C.O.D. or freight collect.

Vendor shall submit proposed increases to the Purchasing Division thirty (30) calendar days before the proposed effective date of the price increase. Proposed increases shall be limited to fully documented cost increases to the vendor that are demonstrated to be industry wide. Price increases may not be granted unless they are expressed in bid documents and contracts or agreements.

7.2 Submission of a bid constitutes bidder's certification that no financial or personal relationship exists between the bidder and any county official or employee except as specially set forth in writing attached to and made a part of the bid. The successful bidder shall disclose any such relationship which develops during the term of the contract.
