### 9.0 STANDARD TERMS & CONDITIONS

## 1.0 GENERAL INFORMATION

### 1.1 Introduction

The purpose of this document is to provide interested parties with information to enable them to prepare and submit a proposal for [opiate addiction assessor and recovery coach services](#).

The County intends to use the results of this process to award a contract(s) or issuance of purchase order for the product(s) and or services(s) stated above.

The contract resulting from this RFP will be administered by Dane County, Department of Human Services.

The contract administrator will be Todd Campbell, AODA Manager.

This Request for Proposal (RFP) is issued on behalf of Dane County by the Purchasing Division, which is the sole point of contact for the County during the procurement process.

### 1.2 Scope of the Project

#### 1.2.1 Project Description

Opioid overdoses and related deaths are a nationally rising concern. Dane County has noted a steady increase in opioid-related deaths over the past decade, surpassing motor vehicle crashes as the leading cause of death in 2008. Many agencies that interact with and care for individuals with substance use disorders are concerned about the current scope of the opioid use epidemic and societal impact created by inadequate treatment. Mounting evidence suggests facilitating access to and engagement in treatment, as opposed to incarceration, can help improve criminal, safety, and health outcomes of where opioid use disorder and related crimes are prevalent. This RFP focuses on a collaborative strategy to divert low-level offenders with substance use disorder from the criminal justice system into the appropriate level of care.

In an effort to address the issues of opioid use disorder and related property crime, the City of Madison Police Department has partnered with Public Health Madison & Dane County, University of Wisconsin-Madison, and a number of other stakeholders to create the Madison Addiction Recovery Initiative (MARI). MARI was awarded funding through the national Smart Policing Initiative (SPI), a program of the Bureau of Justice Assistance (BJA), U.S. Department of Justice (DOJ). SPI supports law enforcement agencies in building evidence-based, data-driven law enforcement tactics and strategies that are effective, efficient, and economical. The goal of SPI is to identify unique collaborative solutions to public safety problems by using sound analysis and a strong evaluation design. MARI will specifically

address the local conditions in Madison by facilitating treatment engagement with 160 individuals apprehended for drug-related minor crimes, reduce recidivism and property crime, and reduce the rate of opioid overdose.

#### 1.2.2 Current Operations

This is a new grant-funded program. The City of Madison Police Department is the recipient of the grant. A portion of the grant is provided to Dane County to provide the services described in this RFP.

Failure of a proposer to conduct a presentation to the County on the date scheduled may result in rejection of the vendor's proposal.

## 3.0 PROPOSAL SELECTION AND AWARD PROCESS

### 3.1 Preliminary Evaluation

The proposals will first be reviewed to determine if requirements in Section 2.0 are met, and if additional mandatory requirements are met. (see Section 4.0). Failure to meet mandatory requirements will result in the proposal being rejected. In the event that all vendors do not meet one or more of the mandatory requirements, the County reserves the right to continue the evaluation of the proposals and to select the proposal which most closely meets the requirements specified in this RFP.

### 3.2 Proposal Scoring

Accepted proposals will be reviewed by an evaluation team and scored against the stated criteria. This scoring will determine the ranking of vendors based upon their written proposals. If the team determines that it is in the best interest of the County to require oral presentations, the highest ranking vendors will be invited to make such presentations. Those vendors that participate in the interview process will then be scored, and the final ranking will be made based upon those scores.

### 3.3 Right to Reject Proposals and Negotiate Contract Terms

The County reserves the right to reject any and all proposals and to negotiate the terms of the contract, including the award amount, with the selected proposer prior to entering into a contract. If contract negotiations cannot be concluded successfully with the highest scoring proposer, the County may negotiate a contract with the next highest scoring proposer.

1.1 **ENTIRE AGREEMENT:** These Standard Terms and Conditions shall apply to any contract, including any purchase order, awarded as a result of this request. Special requirements of a resulting contract may also apply. Said written contract with referenced parts and attachments shall constitute the entire agreement, and no other terms and conditions in any document, acceptance, or acknowledgment shall be effective or binding unless expressly agreed to in writing by the County. Unless otherwise stated in the agreement, these standard terms conditions supersede any other terms and/or conditions applicable to this agreement.

1.2 **DEFINITIONS:** As used herein, "vendor" includes a provider of goods or services, or both, who is responding to an RFP or a bid, and "bid" includes a response to either an RFP or a bid.

When alternates are proposed, they must be identified by manufacturer, stock number, and such other information necessary to establish equivalency. Dane County shall be the sole judge of equivalency. Vendors are cautioned to avoid proposing alternates to the specifications that may result in rejection of their bid.

3.0 **DEVIATIONS AND EXCEPTIONS:** Deviations and exceptions from terms, conditions, or specifications shall be described fully on the vendor's letterhead, signed, and attached to the bid. In the absence of such statement, the bid shall be accepted as in strict compliance with all terms, conditions, and specifications and vendor shall be held liable for injury resulting from any deviation.

4.0 **QUALITY:** Unless otherwise indicated in the request, all material shall be first quality. No pre-owned, obsolete, discontinued or defective materials may be used.

Vendor shall submit proposed increases to the contracting department thirty (30) calendar days before the proposed effective date of the price increase. Proposed increases shall be limited to fully documented cost increases to the vendor that are demonstrated to be industry wide. The successful bidder shall disclose any such relationship which develops during the term of the contract.
