The contractor is also subject to the goals for both its federal and nonfederal construction.

3. The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3 (a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. Compliance with the goals will be measured against the total work hours performed.
4. The contractor shall provide written notification to the awarding agency and the County of Dane within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

4.7 **Section 3**

Rehabilitation is considered a covered project for the purposes of Section 3. As such, a Section 3 Project Implementation Plan will be required by the Subrecipient and Statements of Commitment will be required by each Prime Contractor and any subcontractors.

Section 3 is triggered when the normal completion of construction and rehabilitation projects creates the need for new employment, contracting, or training opportunities.

SECTION 4 – SPECIAL CONTRACT TERMS AND CONDITIONS

HUD considers recipients of covered funding to be in compliance with Section 3 if they meet the numerical goals set forth at 24 CFR Part 135.30. Specifically:

- a. 30 percent of the aggregate number of new hires shall be Section 3 residents;
- b. 10 percent of the total dollar amount of all covered construction contracts shall be awarded to Section 3 business concerns; and
- c. 3 percent of the total dollar amount of all covered non-construction contracts shall be awarded to Section 3 business concerns.

All Section 3 covered contracts (contracts to direct recipients in excess of \$200,000, for Section 3 covered projects, and subcontracts excess of \$100,000) shall include the following clause (referred to as the Section 3 clause) in all bid documents, contracts, and subcontracts:

A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

4.8 **Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970**

The Uniform Act is a federal law that establishes minimum standards for federally funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The Uniform Act's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects.

Generally a displaced person under the URA is an individual, family, partnership, association, corporation, or organization which moves from their home, business, farm, or moves their personal property as a direct result of acquisition, demolition, or rehabilitation for a federally funded project. Displaced persons are eligible for relocation assistance under the URA.

Agencies conducting a program or project under the URA must carry out their legal responsibilities to affected property owners and displaced persons. Agencies should plan accordingly to ensure that adequate **time, funding, and staffing** are available to carry out their responsibilities.

Some of those responsibilities include:

For Real Property Acquisition

- Appraise property before negotiations
- Invite the property owner to accompany the appraiser during the property inspection
- Provide the owner with a written offer of just compensation and a summary of what is being acquired
- Pay for property before possession
Reimburse expenses resulting from the transfer of title such as recording fees, prepaid real estate taxes, or other expenses.

Please note that agency responsibilities for voluntary acquisitions differ.

For Residential Displacements

- Provide relocation advisory services to displaced tenants and owner occupants
- Provide a minimum 90 days written notice to vacate prior to requiring possession
- Reimburse for moving expenses
- Provide payments for the added cost of renting or purchasing comparable replacement housing

SECTION 4 – SPECIAL CONTRACT TERMS AND CONDITIONS

For Nonresidential Displacements (businesses, farms, and nonprofit organizations)

- Provide relocation advisory services
- Provide a minimum 90 days written notice to vacate prior to requiring possession
- Reimburse for moving and reestablishment expenses

The Federal Funding Accountability and Transparency Act of 2006 (FFATA) and associated amendments requires that information on subawards related to Federal contracts, sub-contracts, grants, and sub-grants be made publicly available. Specifically, the Transparency Act's section 2(b)(1) requires the Office of Management and Budget to establish a publicly available website that contains the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type, funding agency, the Catalog of Federal Domestic Assistance number, program source, descriptive award title;
- Location of the entity receiving the award and primary location of performance under the award including City, State, congressional district, and country;
- Unique identifier (Dun & Bradstreet DUNS Number) of the entity receiving the award and the parent recipient of the recipient, should the entity be owned by another entity; and
- Names and total compensation of the five most highly compensated officers of the entity, if the entity in the preceding fiscal year received 80% or more of its annual gross revenues in Federal awards; and \$25 million or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986.
