4. Reading the RFP it states “When the trailer is full Dane County will notify Contractor of its intent to deliver a shipment. Contractor shall accommodate County’s request to receive shipment within 1week of request being made.” Then reading in the pricing section, “Cost to pick up, transport, unload, and return trailer to Dane County within the same day.” Could we get some clarification?

This cost in the pricing section is for the vendor to provide pricing for round trip transportation of Dane County’s trailer in the event that Dane County is unable to self-transport.

Please acknowledge receipt of this addendum by checking the “Addendum #1” box in **Section 6 – Required Forms – Attachment A - Vendor Information** of your proposal response. If you have questions regarding this addendum, please contact me via phone or email as listed below.
