Delivery Time	4-7 Business Days	7-10 Days	7-10 days	7-14 days	7-14 days

The Dane County Highway and Transportation Department will attempt to utilize the lowest bid when obtaining product, however the Department reserves the right to obtain product from the most advantageous vendor/location. In making this determination, the Department will consider availability of product and proximity of vendor to project to minimize hauling costs and/or assure that the product quality is not compromised by excessive travel time (i.e. redi mix).
