Bidder shall indicate the name and the geographical location of the nearest authorized dealer to perform subsequent warranty service. This information shall be stated in the pricing section of bid or otherwise specified.

13. Local Content Vendor Purchasing Provisions:

Under Dane County's purchasing ordinance, bidders offering goods made in Dane County, its surrounding counties, or the State of Wisconsin receive a price preference on sealed bid solicitations. Bids are first evaluated to determine if any bidders are offering products that qualify as Dane County-Made Goods, Regionally-Made Goods, or Wisconsin-Made Goods.

A bidder offering Dane County-Made Goods will be considered the successful bidder if their price is up to 15% higher than the low bid for goods that are not Dane County-Made Goods. If no

vendors meet this criteria, then the county will determine if any bidder is offering Regionally-Made Goods. If so, then such a bidder will be considered successful if their price is up to 12.5% higher than the low bid for goods that are not Regionally-Made Goods. If no vendors meet this criteria, then the county will determine if any bidder is offering Wisconsin-Made Goods. If so, the such bidder will be considered successful if their price is up to 10% higher than the low bid for goods that are not Wisconsin-Made Goods. If no vendors are offering Dane County-Made, Regionally-Made, or Wisconsin-Made Goods, then the county will evaluate the low bid without regard to the content of the goods.

Bidders who are offering Dane County-Made Goods, Regionally-Made Goods, or Wisconsin-Made Goods should indicate this status on the affidavit form included in this bid package.

14. Local Vendor Purchasing Provisions:

Under Dane County Ordinance, a vendor headquartered in Dane County or the surrounding counties or a vendor with a location in Dane County or the surrounding counties may be invited to match the low bid if the low bid is offered by a vendor located outside the area.

There are three vendors to which this ordinance applies: a Regionally-Based Vendor, a vendor with a location in Dane County, and a vendor with a location in one of the seven counties adjacent to Dane County.

Under the ordinance, a Regionally-Based Vendor means a supplier or provider of equipment, materials, supplies, or services whose business or corporate headquarters is physically located in Dane County or the seven counties adjacent to Dane County (Columbia, Dodge, Green, Iowa, Jefferson, Rock, or Sauk) and whose owners or shareholders totaling more than 50% of ownership live in Dane County or the aforementioned contiguous counties; and the business is registered and authorized to do business in the State of Wisconsin.

Under the ordinance, a Local Vendor means a supplier or provider of equipment, materials, supplies, or services which has an established place of business within the County of Dane and is registered and authorized to do business in the State of Wisconsin. An established place of business means a physical office, plant or other facility. A post office box address does not qualify a vendor as a Local Vendor.

When bids are reviewed, the county will determine if a Regionally-Based Vendor responding to the bid is the low bidder or within 15% of the low bid. In the event that the price offered by a Regionally-Based Vendor is within 15% of the low bid, the county will contact the Regionally-Based Vendor and provide that vendor the option of matching the low bid price.

If no Regionally-Based Vendors are among the responding bidders, or the Regionally-Based Vendor declines to match the low bid, then the county will determine if a Local Vendor is within 10% of the low bid. If so, then the county will contact the Local Vendor and provide that vendor the option of matching the low bid price.

If no Local Vendors are among the responding bidders, or the Local Vendor declines to match the low bid, then the county will determine if a non- Local Vendor with a location within the seven counties surrounding Dane County is within 5% of the low bid. If so, then the county will contact that non-Local Vendor and provide that vendor the option of matching the low bid price.

If there are no non-Local Vendors with a location within the seven counties surrounding Dane County, or, if all non-Local Vendors with a location within the seven counties surrounding Dane County decline to match the low bid, then the county will award the bid to the low bidder without regard to the location of the vendor.

Bidders should indicate their status as a Regionally-Based Vendor, a Local Vendor, or a non-Local Vendor within the seven counties surrounding Dane County on the affidavit form included in this bid package.

15. Dane County Sustainability Principles:

On October 18, 2012, the Dane County Board of Supervisors adopted Resolution 103, 2012-2013 establishing the following sustainability principles for the county:

- Reduce and eventually eliminate Dane County government's contribution to fossil fuel dependence and to wasteful use of scarce metals and minerals;

Vendors performing construction activities are required to pay state use tax on the cost of materials.

In case of any sublet of work under this Agreement, PROVIDER shall furnish evidence that each and every subcontractor has in force and effect insurance policies providing coverage identical to that required of PROVIDER.

20.4. The parties do hereby expressly agree that COUNTY, acting at its sole option and through its Risk Manager, may waive any and all requirements contained in this Agreement, such waiver to be in writing only. Such waiver may include or be limited to a reduction in the amount of coverage required above. The extent of waiver shall be determined solely by COUNTY's Risk Manager taking into account the nature of the work and other factors relevant to COUNTY's exposure, if any, under this Agreement.

21.0 CANCELLATION: County reserves the right to terminate any Agreement due to non-appropriation of funds or failure of performance by the vendor. The entire burden of maintaining and defending the trade secret designation shall be upon the vendor. The vendor acknowledges and agrees that if the vendor shall fail, in a timely manner, to initiate legal action to defend the trade secret

designation or be unsuccessful in its defense of that designation, County shall be obligated to and will release the records.

LOCAL CONTENT VENDOR AFFIDAVIT

Under Dane County's purchasing ordinance, bidders offering goods made in Dane County, its surrounding counties, or the State of Wisconsin receive a price preference on sealed bid solicitations. Bids are first evaluated to determine if any bidders are offering products that qualify as Dane County-Made Goods, Regionally-Made Goods, or Wisconsin-Made Goods.

A bidder offering Dane County-Made Goods will be considered the successful bidder if their price is up to 15% higher than the low bid for goods that are not Dane County-Made Goods. If no vendors meet this criteria, then the county will determine if any bidder is offering Regionally-Made Goods. If so, then such a bidder will be considered successful if their price is up to 12.5% higher than the low bid for goods that are not Regionally-Made Goods. If no vendors meet this criteria, then the county will determine if any bidder is offering Wisconsin-Made Goods. If so, the such bidder will be considered successful if their price is up to 10% higher than the low bid for goods that are not Wisconsin-Made Goods. If no vendors are offering Dane County-Made, Regionally-Made, or Wisconsin-Made Goods, then the county will evaluate the low bid without regard to the content of the goods.

I swear that the following is true and correct:

Based on the definition included with each category below, indicate if the goods you offer in your bid meet any of the three categories under the county's ordinance.

_____ The goods offered under this bid are Dane County-Made goods as defined as, "an article that is manufactured, mined, produced or grown in Dane County and over 50% of the total cost of its components are made in Dane County. When "component", as referenced above, means and article, material, or supply incorporated directly into a finished product.

_____ The goods offered under this bid are Regionally-Made goods as defined as, "an article that is manufactured, mined, produced or grown in Dane County or the seven counties adjacent to Dane County (Columbia, Dodge, Green, Iowa, Jefferson, Rock, or Sauk) and over 50% of the total cost of its components are made in those counties. When "component", as referenced above, means and article, material, or supply incorporated directly into a finished product.

_____ The goods offered under this bid are Wisconsin County-Made goods as defined as, "an article that is manufactured, mined, produced or grown in the State of Wisconsin and over 50% of the total cost of its components are made in the State of Wisconsin. When "component", as referenced above, means and article, material, or supply incorporated directly into a finished product.

_____ The goods offered under this bid do not qualify as Dane County-Made, Regionally-Made or Wisconsin-Made goods.

LOCAL VENDOR AFFIDAVIT

Under Dane County Ordinance, a vendor headquartered in Dane County or the surrounding counties or a vendor with a location in Dane County or the surrounding counties may be invited to match the low bid if the low bid is offered by a vendor located outside the area.

There are three vendors to which this ordinance applies: a Regionally-Based Vendor, a vendor with a location in Dane County, and a vendor with a location in one of the seven counties adjacent to Dane County.

Under the ordinance, a Regionally-Based Vendor means a supplier or provider of equipment, materials, supplies, or services whose business or corporate headquarters is physically located in Dane County or the seven counties adjacent to Dane County (Columbia, Dodge, Green, Iowa, Jefferson, Rock, or Sauk) and whose owners or shareholders totaling more than 50% of ownership live in Dane County or the aforementioned contiguous counties; and the business is registered and authorized to do business in the State of Wisconsin.

Under the ordinance, a Local Vendor means a supplier or provider of equipment, materials, supplies, or services which has an established place of business within the County of Dane and is registered and authorized to do business in the State of Wisconsin. An established place of business means a physical office, plant or other facility. A post office box address does not qualify a vendor as a Local Vendor.

When bids are reviewed, the county will determine if a Regionally-Based Vendor responding to the bid is the low bidder or within 15% of the low bid. In the event that the price offered by a Regionally-Based Vendor is within 15% of the low bid, the county will contact the Regionally-Based Vendor and provide that vendor the option of matching the low bid price.

If no Regionally-Based Vendors are among the responding bidders, or the Regionally-Based Vendor declines to match the low bid, then the county will determine if a Local Vendor is within 10% of the low bid. If so, then the county will contact the Local Vendor and provide that vendor the option of matching the low bid price.

If no Local Vendors are among the responding bidders, or the Local Vendor declines to match the low bid, then the county will determine if a non-Local Vendor with a location within the seven counties surrounding Dane County is within 5% of the low bid. If so, then the county will contact that non-Local Vendor and provide that vendor the option of matching the low bid price.

If there are no non-Local Vendors with a location within the seven counties surrounding Dane County, or, if all non-Local Vendors with a location within the seven counties surrounding Dane County decline to match the low bid, then the county will award the bid to the low bidder without regard to the location of the vendor.

I swear that the following is true and correct:

_____ The bid submitted is from a Regionally-Based Vendor as described above;

_____ The bid submitted is from a Local Vendor as described above

_____ The bid submitted is from a non-Local Vendor with a place of business in one of the following counties: Columbia, Dodge, Green, Iowa, Jefferson, Rock, or Sauk.

_____ The bid submitted is from a vendor that does not meet any of the criteria above.
