TO: All Proposers RFP# 118029 – Photovoltaic Installation at Dane County Airport
FROM: Megan Rogan, Purchasing Agent
SUBJECT: ADDENDUM #12

The following addendum becomes a part of the above referenced RFP. All other terms and conditions remain in effect, unchanged.

The Due Date has been extended. The new deadline for RFP submissions is **May 29, 2018 at 2:00 PM Central Time**.

Attachment G – Cost Proposal Page 7 has been updated.

Please replace Attachment G Cost Proposal with the new Attachment, which is included on the following page.

This is the cost proposal that should be submitted with the RFP Response.

Please acknowledge receipt of this addendum by noting “Addendum #12 Received” on the bottom of the Signature Affidavit when you submit your proposal.

COST PROPOSAL	
Company Name	

Per Section 4.4, pricing shall include all costs necessary to complete service in accordance with the specifications and terms and conditions of this RFP.

Proposers must submit a proposed energy rate for the power to be purchased by the County in 2019 in cents per kWhr AC. The County will purchase at this rate any electricity produced that does not exceed the County’s Minimum Electrical Load. The rate should be stated assuming terms of a PPA of 15 years, 20 years, and 25 years. The County will also agree to purchase electricity at the proposed rate for any additional electricity beyond the County’s Minimum Electrical Load as long as it does not exceed the County’s instantaneous electrical load.
